## SESSIONAL PAPER No. 9

†In December, 1906, the capital stock of this company, which was formerly \$1,000,000, was further increased by an issue of \$550,000 7 per cent preference stock subscribed for at a premium of 25 per cent. The total subscribed capital now stands at \$1,400,000, of which there had been paid in up to date of the return \$1,399,029.79.

‡The capital stock of this company, which had previously been \$500,000, the whole of which was subscribed and \$125,000 paid thereon, was by chapter 58 of the statutes of 1904, reduced to \$250,000, the amount paid up remaining unchanged. An additional \$125,000 was paid in out of surplus in 1905. In 1909, by virtue of the above statute, the capital was increased to \$500,000. An additional \$250,000 was paid in out of surplus in 1909, making the capital fully paid up.

\*In December, 1906, preference stock of this company to the amount of \$500,000,000 was called in and cancelled, and a new issue of \$1,000,000 7 per cent preference stock was made at 25 per cent premium. The total capital stock is now \$2,500,000 fully subscribed.

a This reserve although reinsured in unlicensed companies was not covered by deposits of those companies in Canada, and no credit for the reinsurance has therefore been allowed. Since December 31, 1915 a deposit to the amount of the reserve has been made.

b Including \$100,000 Conflagration Fund.
